

How to Apply – Global Atlantis Application Procedure

Step 1:

Choose the correct course that meets your needs and aviation career goals. One of our sales associates can explain each individual course to help you make the correct decision.

Step 2:

Complete the enrollment and application procedure, you can find information on this step under Resources tab – Registration. All documentation required is listed here.

Step 3:

Complete the student visa application if you are an International Student. We will send you detailed information and instructions on how to apply, and how to conduct a successful Embassy Interview.

Step 4:

Arrive to Florida USA! A member of our team can meet you at the airport and show you to our accommodation facilities.

Step 5:

We will hold an orientation day with each individual student to complete any required paperwork prior to commencing flight training, this includes obtaining medical certificates, student pilot certificates and TSA approval.

Step 6:

You can now begin your training with one of our experienced instructors.
